

School District of Black River Falls

School Board Policy 152

Evaluation of School Board Operational Procedures

The Black River Falls Board of Education believes that evaluation is essential to the continual improvement and success of a school district. Therefore, the Board shall plan for and carry through an evaluation of its functioning as a board. The evaluation may be focused on a particular activity or area.

An evaluation tool shall be developed by the Board with assistance from the district administrator. Such evaluation shall be carried out during a scheduled Board Development Session.
