

Professional Growth Innovation Grant Application

Name: _____ Current Teaching Assignment: _____

Date: _____ Expected Implementation Timeline: _____

Please describe the innovative practice that you are interested in pursuing:

Is there professional development that you would need in order to accomplish this? If so, please explain.

What resources, (equipment, materials, etc. and their approximate financial value), other than professional development, do you need in order to be successful?

If you are successful in your innovative work, what will be the positive impact on our students and/or system?

*Applications are submitted to the Director of Curriculum & Instruction when completed. Applications are reviewed by the District Leadership Team, decisions will be made in May for the upcoming school year. If not all grants are awarded at this time, additional grant applications will be reviewed in October.

**You may attach additional documentation if necessary.
