This handbook has been prepared to acquaint support services staff with various employment-related policies in the School District of Black River Falls. For purposes of this handbook, “support services staff” includes all regular full-time and regular part-time school psychologists, school social worker, school nurse, occupational therapist, speech and language assistant, activities director, department supervisors (i.e. transportation, building and grounds, technology, nutrition services), technology assistant, technology support systems specialist, transportation dispatcher, district office support assistant, business assistant, assistant to superintendent/human resources manager, and business services administrative assistant employees of the District, but excludes substitute employees, limited term employees, temporary employees, students, summer cleaning and technology employees, teachers, and other support services staff employees. In addition, throughout this handbook, the terms “employees,” and “support services staff” are used interchangeably.

ACCIDENT/INCIDENT REPORTS

All accidents/incidents resulting in District property damage and/or personal injury, occurring on District property, school buses or during the course of school-sponsored activities, including field trips and other away events, involving staff and/or students must be reported to the principal/immediate supervisor immediately. When observing a student accident or injury, a completed student accident report form should be submitted to the principal/supervisor within twenty-four (24) hours or the next scheduled District workday, as appropriate. Additionally, employees should follow the established procedures for reporting work-related injuries and illnesses. Employees are required to notify their supervisor and immediately call the nurse triage line after a work-related injury or illness occurs. In cases of emergent care, employees must notify their supervisor immediately, seek medical care, and contact the nurse triage line as soon as practicable. The District’s established procedures for reporting work-related injuries and illnesses are posted in employee work rooms or lounges and in the office of each work location.

ANNUAL HUMAN RESOURCES NOTICES

1. HIPAA Privacy Notice

Participants in the District’s flex spending plan/cafeteria plan, which includes the District’s health and dental insurance plans, should be aware of the District’s HIPAA Privacy Policies.

[School Board Policy 523.5 HIPAA and Policy 523.5-Exhibit A](#) outline the District’s “Notice of HIPAA Privacy and Security Practices” and can be found on the District’s website under District Info/Board Policies.

2. Other Post Employment Benefit Trust (OPEB)

Post-employment benefits are benefits paid to employees after their retirement date and result from services rendered during employment. Post-employment benefits include pension and non-pension benefits such as health benefits. In June of 2007, the District established an

irrevocable trust as a vehicle to invest funds for future post-employment benefit obligations for current employees who may become eligible for these benefits. Funds invested in the Trust may accumulate interest earnings as well. The financial information regarding the Trust is

reported in our annual report each year and shared at the Annual Meeting of the Electors. Employees who would like a full copy of the Trust document should contact the District Office.

3. 403(b) Tax Sheltered Annuity (TSA) Universal Availability

The District maintains a list of the approved providers for tax sheltered annuities. Staff can view the provider list, set up an account, or make salary reduction changes to a current account by completing a salary reduction agreement form via a link on the District's website on the Human Resources page or may contact the Human Resources Department at the District Office at ext. 1002 with specific questions.

4. Fraud Policy

The District is committed to protecting the financial assets of the District and has an established policy and rule for staff should they need to report a fraudulent act. The Fraud Reporting Policy 669 and Fraud Reporting Procedures Rule 669 can be found on the District website under District Info/Board Policies.

ASSIGNMENTS, TRANSFERS, AND VACANCIES

When a support services staff position becomes vacant (as determined by the District) or when the District creates a new support services staff position, the District may simultaneously post the position both internally and externally. Internal support services staff members may apply for posted positions. If a posted position is outside of the building or classification you are currently assigned, you will need to submit a letter of interest highlighting your experience and qualifications for the new area of interest. It is always in your best interest to provide additional information to the screening committee that you are applying to. Not all members of the screening committee will have a working knowledge of your employment highlights. If you are applying for an administrative position, we ask that you utilize the WECAN system so that all applicants can be reviewed thoroughly by the entire screening committee. The District retains the right to hire internal or external candidates for positions, and assign and transfer internal candidates to positions, at its discretion.

ATTENDANCE, ABSENTEEISM AND TARDINESS

The success and efficiency of the District relies on the timely and consistent attendance of its employees. Regular and reliable attendance are essential functions of all positions in the District. Support services staff employees must notify their immediate supervisor of any absence or departure from scheduled work hours through compliance with the provisions described in the policy relating to the reason for the absence. Certain absences require prior approval; all absences or departures from scheduled work hours require support services staff employees to provide their immediate supervisor with prior notification that they will be absent for all or part of their regularly scheduled work days.

Skyward Employee Access (previously known as ERMA) is to be used for these absences.

Support services staff employees are considered tardy if they arrive at work after the start of their regularly scheduled work days without a valid reason for their late arrivals, as determined by the District, and prior notification to their immediate supervisor. Support services staff employees who are absent for part or all of a regularly scheduled work day without prior notification to their immediate supervisor,

and approval from their immediate supervisor when required by policy, will result in said absences being considered unexcused.

BACKGROUND CHECKS

Prior to approving a recommendation to hire an applicant, the District shall conduct a criminal background check through a third party on a national basis to determine if the applicant has any criminal record. Upon receipt of the background check report, the District may seek additional information before either approving or rejecting the application for employment, in compliance with applicable laws.

The District may conduct criminal background checks on current employees.

LEGAL REF: Wis. Stat. § 111.335

BEREAVEMENT LEAVE

An employee may use up to fifteen (15) days of accumulated sick leave for bereavement in the case of the death of his/her spouse or child.

An employee may use up to five (5) days of accumulated sick leave for bereavement in the case of the death of his/her parent or step-parent.

An employee may use up to three (3) days of accumulated sick leave in the case of the death of a member of his/her immediate family, including, brother(s), sister(s), grandparent(s), sister(s)-in-law, brother(s)-in-law, grandchild(ren), father-in-law, mother-in-law, son(s)-in-law, and daughter(s)-in-law.

A support services staff may use one (1) day of accumulated sick leave per year for bereavement for the death of any person not listed in one of the above categories. An employee who needs to use additional leave beyond that provided in this policy may be granted personal leave and/or unpaid leave upon request and at the discretion of the Director of Business Services.

CATASTROPHIC LEAVE BANK

The School District of Black River Falls has established a Catastrophic Leave Bank (CLB) for all eligible voluntarily participating employees who have exhausted all of their accumulated sick leave and meet the definition for a catastrophic illness or injury. For the purposes of this policy, a day equals the average number of scheduled work hours per day of the participant.

A. Catastrophic Leave Review Committee:

A Catastrophic Leave Review Committee shall be established to review all applications for obtaining additional sick leave days from the Catastrophic Leave Bank (CLB). This committee will be appointed by the Superintendent or his/her designee.

1. Be comprised of nine (9) members and include one (1) representative who is a member of the CLB from each of the following groups: teacher, support staff, support services staff, and administrative staff. Any employee not in one (1) of the above groups will be assigned a group by the Superintendent.
2. The term of office shall be limited to three (3) years. Initially the members selected will draw one (1), two (2), or three (3) year terms. Each year two (2) members will leave the committee and two (2) new members will be chosen to join the committee.
3. No committee member shall rule on any usage application of his/her own or of a relative.
4. A majority of committee members must vote on the request. A majority of the voting members would indicate the action. Any tie vote of the committee will be considered an “approved” vote.
5. The committee shall review any documents and information it deems pertinent to the application.
6. The Superintendent shall appoint a District Office designee to direct and administer the program.

B. Definition of a Catastrophic Illness:

A Catastrophic Illness is defined as any illness or injury to an employee which is unavoidable and diagnosed and certified by a physician as rendering the employee unable to work or affecting a member of the employee’s immediate family who has a serious health condition requiring personal care by the employee. The illness or condition is expected to last at least thirty (30) contract days in duration. The illness/injury must affect the entire family (i.e., heart attack, cancer, car accident). These conditions would not include a normal, healthy pregnancy.

Use of the Catastrophic Leave Bank (CLB) does not have to be consecutive days (i.e., treatments for cancer). If a staff member is on Long-Term Disability Insurance (LTD), they would NOT qualify for use of the leave from the leave bank. Each case must be examined and decided based on its conformity to policy intent and must be handled consistently and equitably. We understand that this type of leave will rarely be applied for. Please realize that just because a person applies, it doesn’t necessarily mean that the request will be approved.

C. Eligible Employees:

All employees of the School District of Black River Falls are eligible to voluntarily participate in the benefit. The program will exist provided that at least one-third of those eligible participate in the program.

D. Immediate Family for the Catastrophic Leave Bank means:

Employee's spouse, child (step), and parents (step and in-laws).

E. Enrollment Procedures:

An employee may enroll within thirty (30) calendar days of employment or by September 30th each year for existing employees.

All Black River Falls School District (BRFSD) employees are eligible. The District requests a minimum voluntary contribution of (2) days of sick leave upon joining and one or two days thereafter whenever an assessment is required. Any time the Bank falls below six hundred (600) hours, all participating members must contribute one (1) or two (2) days to stay in the Bank. The CLB Committee will determine the number of days assessed. The donated days of leave will be deducted from the donor's allocated days of sick leave. Any member not having a day accumulated at that time must commit a day from their next year's allotment. The sick leave bank will allow the accumulation of days to a maximum of four hundred (400) days. The exception to this would be for the enrollment of new participants. Any employee that enrolls is considered a member of the bank until an additional day is requested and the employee chooses not to make the required contribution. Upon the refusal of the requested donation the employee is no longer a member of the catastrophic leave bank.

F. Qualifying Criteria:

The requesting employee shall:

1. Have used all accrued paid leave.
2. Be permitted to withdraw a maximum of sixty (60) contract days from the CLB in any given school year.
3. Not be receiving worker's compensation or long-term disability.
4. Provide sufficient medical certification, renewing such certification every thirty (30) contract days during absence. The certification must verify the severity or extraordinary nature and expected duration of the employee's or immediate family member's condition.

G. Process:

As early as possible, an eligible employee who anticipates a need to use the Catastrophic Leave Bank (CLB) must submit an "Application to Receive Catastrophic Leave" form and "Certification of Physician" form.

1. Days from the CLB may be taken in whole days only.
2. Participation is restricted to those eligible employees who have contributed to the CLB.
3. Application forms may be obtained from the principal at each school.
4. The first ten (10) consecutive contract days of illness or disability will not be covered by the CLB, but must be covered by the bank member's own accumulated leave or leave without pay.
5. It must be anticipated that the absence will be for more than thirty (30) contract days.
6. A member of the CLB will not be able to use CLB benefits until the employee's sick leave declines to zero (0).
7. Days drawn from the CLB for any one period of eligibility do not need to be consecutive and additional periods of disability resulting from recurrences or relapse of the original illness will be covered fully on a continuing basis up to the annual maximum of sixty (60) days.

H. Termination:

Upon termination of employment or withdrawal from membership in the CLB, a participating member may not withdraw the days he/she has contributed to the CLB. Upon termination of the program by the Board of Education, the remaining hours in the CLB of the active participants will be returned to the active participants. Any hours remaining from inactive participants will be forfeited.

DENTAL INSURANCE

The District will provide a dental insurance plan to eligible support services staff. To be eligible for single or family dental insurance, employees must work a minimum of thirty (30) hours per week. The District will contribute one hundred percent (100%) of the single or family premium for all eligible full-time employees who work thirty-five (35) or more hours per week electing dental insurance.

The District will contribute one hundred percent (100%) of each single premium or fifty percent (50%) of each family premium for all eligible part time employees who work less than thirty-five (35) hours per week electing dental insurance.

If both spouses are employed by the District, only one (1) family plan or two (2) single plans will be provided.

DIRECT DEPOSIT

The District will pay employees through direct deposit to an account at a financial institution of the employee's choice. Employees will provide the District office with information needed to accomplish

the direct deposit payroll process. Employees must enroll in direct deposit within fifteen (15) calendar days of the time of hire or rehire. Employees must participate in the direct deposit payroll process as a condition of new or continued employment unless otherwise prohibited by law. Only one (1) financial institution account number may be selected for direct deposit for the employee. The direct deposit information will be accessible to each employee on each pay date.

Changes to information regarding direct deposit shall be received by the District office at least fifteen (15) calendar days prior to the date of the change. The District will not be responsible for deposits made to a former account where the request for the change has not been timely provided to the District office.

DISCIPLINE AND TERMINATION

A support services staff employee may be disciplined, up to and including termination, for reason(s) that are not arbitrary, capricious or discriminatory. The District Administrator or his/her designee may impose discipline, up to and including termination, upon a support staff services employee.

DRESS CODE

The image and representation of the District is reflected by the employees and their attire. The District expects that support services staff will dress in professional business casual attire appropriate for their position. Business casual attire is clothing that is less formal than traditional business wear, but is still intended to give a professional business-like impression. Certain days may be designated as special days (e.g. Homecoming week) by the superintendent or immediate supervisor. On such days, the superintendent or immediate supervisor may relax the dress code and allow all support services staff members to wear blue jeans, Tiger apparel, including hooded sweatshirts, and other casual attire.

DUTY FREE TIME

Two (2) fifteen (15) minute breaks per day shall be provided to all full time personnel. One (1) fifteen (15) minute rest period per day shall be provided to all personnel who work at least four (4) continuous hours per day, but less than full time.

Employees working at least six (6) hours per day shall receive a thirty (30) minute unpaid duty-free lunch period.

EMPLOYEE GRIEVANCE POLICY AND PROCEDURE¹

Informal Resolution:

An employee² with a complaint related to employee discipline (except employee termination) or workplace safety should first seek to resolve the issue(s) with his/her immediate supervisor through informal discussion. Informal resolution of discipline complaints shall be initiated within seven (7) days of the date when an employee has been notified of the discipline.

An employee complaint about a workplace safety issue may be raised informally at any time while the safety issue persists. If the employee fails to initiate the informal resolution process with regard to employee discipline within seven (7) days, the employee waives any further entitlement to utilize the grievance process with respect to the discipline (except employee termination).

If the informal discussion does not resolve the employee discipline or workplace safety complaint and the employee is dissatisfied with the response of his/her immediate supervisor, the employee may seek informal resolution by the Superintendent or his/her designee within seven (7) days after bringing it to the attention of his/her immediate supervisor. This step within the informal resolution process is optional; thus, it is not a necessary step in determining whether the informal resolution process has been exhausted.

If the complaint regarding employee discipline or workplace safety concerns the employee's supervisor, the employee may seek to resolve the complaint directly with the Superintendent. If the complaint regarding employee discipline or workplace safety concerns the Superintendent, the employee may seek to resolve the complaint directly with the Board President. In cases of such employee discipline, the informal resolution process shall be commenced within seven (7) days of the date when an employee has been notified of the discipline. If the employee fails to initiate the informal resolution process with regard to employee discipline within seven (7) days, the employee waives any further entitlement to utilize the grievance process with respect to the discipline (except employee termination).

Employee termination decisions and contract non-renewal decisions are not subject to the informal resolution process.

Limits Time for Filing a Grievance

If the informal resolution process does not resolve the complaint, and the employee believes that his/her complaint rises to the level of a grievance, as defined below, the employee may initiate a formal grievance pursuant to the procedures described herein. A grievance involving employee termination or discipline shall be filed no later than twenty-one (21) days after the employee receives notice of the discipline, termination or non-renewal of a contract pursuant to Wis. Stat. §§ 118.22 or

¹ This Employee Grievance Policy and Procedure, as currently drafted, conforms to the requirements of 2011 Wisconsin Act 10. Future legislation may eliminate the obligation to adopt such a policy and procedure, and/or may modify the requirements for such policy and procedure. Please be advised that Lathrop & Clark LLP will update this Employee Grievance Policy and Procedure, as necessary, to conform to any future legislation, and provide it to you, at no additional cost.

² This Employee Grievance Policy and Procedure is intended to apply to all school district employees, except where a valid, enforceable collective bargaining agreement provides the school district employee with a grievance procedure.

118.24. A grievance involving workplace safety shall be filed no later than twenty-one (21) days after the employee first attempts to resolve his/her workplace safety concerns through the informal resolution process.

In order to process grievances as expeditiously as possible, every effort should be made to handle each step within the specified time period. If the school district official fails to comply with the time periods or other procedures outlined in this policy, the grievant may advance the grievance to the next level. There shall be no other consequences or remedies for failure of the school district to meet the time periods outlined in this policy. If the grievant fails to comply with the time periods or other procedures outlined in this policy, the grievant waives any further rights of appeal and the grievance will be deemed resolved. However, with the exception of the time period for filing the written grievance, either party may request an extension of any time period provided in this policy, including the informal resolution process. Such extensions shall be by mutual written agreement.

If no grievance is filed, the decision of the administration shall be considered final, except a decision to terminate an employee shall be final upon ratification by the Board. The grievance may be voluntarily withdrawn at any level. Once a grievance is withdrawn, it cannot be reopened. A former employee or an employee who separates from employment during the course of the grievance may not file or continue a grievance without the written consent of the Superintendent or designee. If at any time during the grievance process the school district grants the grievant the relief originally requested, the Superintendent or designee may terminate the grievance at that time. Any party involved may have a representative present at all levels once the grievance has been filed in writing. Facts presented and/or examined at the Level One and Level Two hearings shall be made available to both parties. All parties shall respect the confidentiality of the grievance procedure by holding in confidence the facts and information shared in meetings and written correspondence, to the extent authorized by law.

Definitions:

- A. **Grievant:** A grievant is an employee whose own substantial interests related to termination, discipline, or workplace safety are adversely affected, denied, or controverted by a final administrative decision. In the cases of an employee with a definite term contract, a “final administrative decision” is defined to include, but not be limited to, a Board approved termination based on an informal hearing (See General Considerations, Paragraph C., below). In the case of a teacher or administrator non-renewal, a “final administrative decision” is defined to include a Board approved non-renewal following the procedures set forth in Wis. Stat. §§ 118.22 or 118.24. Grievances of the same type and with similar fact situations may be consolidated at the discretion of the Superintendent or his/her designee.
- B. **Grievance:** A grievance is a formal written complaint by an employee that a final administrative decision related to termination, discipline, or workplace safety violated, misapplied, or misinterpreted a local Board policy, administrative regulation or procedure, or specified federal or State law or rule, or in the case of an employee with a written employment contract, the terms of such written employment contract.
 - 1. **Employee Termination:** The term “employee termination” shall be narrowly construed to mean a separation from employment initiated by the employer, (including, for purposes of an employee with a definite term contract, a separation from employment initiated by

the employer which is effective during the term of the contract), but shall not include, without limitation by enumeration, the following:

- a. Layoffs;
- b. Workforce reduction activities;
- c. Voluntary termination including, without limitation, quitting and resignation;
- d. Job abandonment;
- e. End of employment due to disability;
- f. Retirement;
- g. Death;
- h. End of employment and/or completion of assignment of limited-term, temporary, seasonal, substitute, or part-time employees; or

2. Employee Discipline: The term “employee discipline” shall be narrowly construed to mean a suspension without pay, or a demotion or reduction in rank, pay, or other benefits, imposed by the employer for disciplinary reasons, but shall not include, without limitation by enumeration, the following:

- a. Termination, non-renewal of teacher contracts under Wis. Stat. § 118.22, non-renewal of administrator contracts under Wis. Stat. § 118.24, layoffs or workforce reduction activities;
- b. Adverse employment actions other than a suspension without pay, or a demotion or reduction in rank, pay or other benefits, imposed upon the employer for disciplinary reasons;
- c. Lateral transfers or reassignments;
- d. Plans of correction or performance improvement;
- e. Performance evaluations or reviews;
- f. Documentation of employee acts and/or omissions in an employment file;
- g. Non-disciplinary oral or written warnings;
- h. Administrative suspension with or without pay pending investigation of misconduct or nonperformance; or
- i. Non-disciplinary wage, benefit, or salary adjustments, or reductions in assigned hours.

3. Workplace safety: The term “workplace safety” shall be narrowly construed to refer to (1) an existing condition that substantially endangers an employee’s health and safety; or (2) any workplace policy or procedure established by state or federal law or the Board to protect the safety and health of employees in the school district and, as used in this section, is alleged by an employee to have been violated and to have substantially adversely affected the employee’s safety at a District workplace.

C. Days: “Days” mean calendar days.

General Considerations

A. Impartial Hearing Officer: The Board shall adopt, prior to the beginning of each school year, or as the need arises, a resolution authorizing an Impartial Hearing Officer appointed by the

Board to hold a grievance hearing and make a decision regarding the grievance. The Impartial Hearing Officer shall not be an officer, agent or employee of the Board at the time of appointment. The Board may approve a list of Impartial Hearing Officers, prior to the beginning of each school year (or as the need arises), to be called upon under this procedure.

B. **Standard of Review:** The standard of review to be applied by the Impartial Hearing Officer of a final administrative decision giving rise to a grievance shall be based on the following, unless an alternative is provided in applicable policy, law, contract or collective bargaining agreement:

1. The review of a final administrative decision to terminate or discipline an employee with a definite term contract or a “cause” standard shall be *de novo* and the decision shall be upheld if it is based on a good and sufficient reason, which shall be any reason that is not wholly frivolous and inconsequential and that has a reasonable basis in fact.
2. The review of a final administrative decision to non-renew a contract (regardless of whether pursuant to a statutory procedure) or to terminate or discipline an employee without a definite term contract or a “cause” standard shall require deference to the final administrative decision and the decision shall be upheld if it is made on any basis other than a basis which is “arbitrary and capricious,” which shall be defined as an action which is either so unreasonable as to be without rational basis or the result of unconsidered, willful, or irrational choice.
3. The review of a final administrative decision concerning a workplace safety grievance shall require deference to the final administrative decision and the decision shall be upheld if it is made on any basis other than a basis which is “arbitrary and capricious,” which shall be defined as an action which is either so unreasonable as to be without rational basis or the result of unconsidered, willful, or irrational choice.

C. **Termination of an Employee with a Contract for a Definite Term:**³ The required procedure for terminating an employee where there is an expectation of continued employment because of a contract for a definite term, a “cause” standard or another basis in law or fact, is as follows:

1. The Superintendent or his/her designee (or in the case of the termination of the Superintendent, an individual designated by the Board President) shall notify the employee, in writing, that he/she intends to recommend that the Board terminate the employee at the next regularly scheduled Board meeting or a Special Board meeting within forty-five (45) days of the date of the written notice.
2. At the Board meeting to hear the termination recommendation, the Board shall hold an informal hearing, which means that the Superintendent or his/her designee (or in the case of the termination of the Superintendent, an individual designated by the Board President) will present a summary of the evidence and argument in support of the recommendation for termination, to be followed by an opportunity for the employee and his/her

³ This procedure shall also apply to the non-renewal of an employee’s contract where Wis. Stat. §§ 118.22 and 118.24 do not apply, but where there is an expectation of continued employment because of the terms of the contract or another basis in law or fact.

representative to present a summary of any evidence and argument in response. An informal hearing, for purposes of this Grievance Policy and Procedure, is not a full-blown evidentiary hearing, i.e., there shall be no swearing of witnesses and no direct or cross examination of witnesses; and the rules of evidence do not apply.

3. The Board shall issue its decision, in writing, within seven (7) days of the informal hearing. If the Board accepts the recommendation to terminate the employee, the Board shall inform the employee, in writing, that the Board has terminated the employee's contract/employment and that, if the employee wishes to appeal the termination decision, the employee shall file an appeal at Level Two by filing a completed grievance form with the Board President within twenty-one (21) days of receiving written notice of termination. If no appeal is filed, the Board's decision shall become final.

- D. **Non-Renewal of a Teacher or Administrator Contract.** The procedures for non-renewal of a teacher or administrator contract set forth in Wis. Stat. §§ 118.22 and 118.24, respectively, shall be applicable. If the Board non-renews the contract of a teacher or administrator, pursuant to Wis. Stat. §§ 118.22 or 118.24, and the teacher or administrator wishes to appeal the non-renewal decision, the teacher or administrator shall file an appeal at Level Two of this Grievance Policy and Procedure by filing a grievance form with the Board President within twenty-one (21) days of receiving final, written notice of non-renewal from the Board. If no appeal is filed, the Board's decision shall be final.

Level One

- A. The grievant may initiate a formal grievance by obtaining a grievance form from his/her immediate supervisor or designee or from the human resources manager or department, filling out the form, and providing a copy to his/her immediate supervisor and to the Superintendent. On the form, the grievant shall (1) identify the category of grievance (i.e., termination of an employee without a contract with a definite term, discipline, or workplace safety), (2) describe the attempts to resolve the complaint informally (if applicable), (3) identify the facts supporting the grievance, (4) specify the policy, rule, regulation, or law alleged to have been violated, and (5) describe the relief requested. In order to be considered, a grievance shall be filed, in writing, using the appropriate form.
- B. The Superintendent or his/her designee shall act on the grievance within seven (7) days of the filing of the grievance. If the Superintendent or his/her designee denies the grievance, he/she shall inform the grievant who shall have seven (7) days to appeal the denial to the Board by filing a letter of appeal with the Board President.

Level Two

- A. Within ten (10) days after receipt of an appeal from a grievant, the Board President shall appoint an Impartial Hearing Officer as authorized by resolution of the school board. The Impartial Hearing Officer shall do the following:
 1. Screen the grievance and determine whether it falls within one of the categories subject to the grievance procedure, whether the informal process was exhausted, if applicable, and whether it has been timely filed.

2. Notify the parties of the time and location for the hearing at least two (2) weeks before the hearing.
 3. Subpoena witnesses, as necessary to ensure their testimony, when requested by either party.
 4. Make evidentiary findings and conclusions. In the case of a grievance related to a termination, a teacher contract non-renewal under Wis. Stat. § 118.22, an administrator contract non-renewal under Wis. Stat. § 118.24, or discipline, the Impartial Hearing Officer shall determine whether a full-evidentiary hearing is needed to afford the employee the requisite due process, and, if so, shall allow the grievant to present evidence, call and question witnesses, cross-examine adverse witnesses, obtain copies of evidentiary materials and argue his/her case. The rules of evidence shall not apply at any hearing, but the Impartial Hearing Officer may exclude or limit irrelevant, repetitive, or redundant evidence or any evidence lacking probative value. The Impartial Hearing Officer, in the conduct of the proceeding, shall be mindful of the desire for a speedy and inexpensive resolution of any appeal brought before him/her.
 5. If the grievance is meritorious, in whole or in part, determine what relief is necessary to provide recompense to the grievant in a grievance that involves termination, contract non-renewal under Wis. Stat. §§ 118.22 or 118.24, or discipline, and in a grievance filed over workplace safety, determine what action is necessary to correct the hazardous condition, provided, however, that the Impartial Hearing Officer may not award attorney's fees or litigation expenses against the District at any time.
 6. The Impartial Hearing Officer shall expressly confine himself/herself to consideration of the precise issue(s) submitted on the grievance form and letter of appeal, if applicable, shall apply the applicable standard of review, and shall have no authority to determine any other issue not so submitted or to submit observations or declarations of opinion which are not directly essential in reaching the determination.
 7. The Impartial Hearing Officer will be without authority to make any decision which requires the commission of an act prohibited by law.
- B. The hearing shall be recorded and the grievant shall be given the opportunity to have the hearing conducted in open session, subject to such other legal requirements relating to confidentiality or privacy, which may apply to the subject matter of the hearing, e.g. pupil confidentiality. The Impartial Hearing Officer shall consider whether to engage a court reporter in lieu of recording the hearing.
- C. The Impartial Hearing Officer shall issue a written decision no more than thirty (30) days after the hearing is concluded, unless the Impartial Hearing Officer notifies the parties that more time is needed and the reasons therefore. The need for post-hearing briefs, as determined by the Impartial Hearing Officer, shall be sufficient reason to extend the deadline.
- D. The Impartial Hearing Officer shall inform the parties that an appeal of his/her decision may be taken to the Board if filed within ten (10) days of the receipt of the decision of the Impartial

Hearing Officer, after which the decision of the Impartial Hearing Officer shall become final.

Level Three

- A. If either party is aggrieved by the decision rendered by the Impartial Hearing Officer, either party has the right to file a written appeal with the Board within ten (10) days of receiving the Impartial Hearing Officer's decision, after which the decision of the Impartial Hearing Officer shall become final.
- B. Except for grievances involving an employee termination (regardless of whether the employee has a contract for a definite term) or teacher or administrator contract non-renewal under Wis. Stat. §§ 118.22 or 118.24, the Board may, at its sole discretion, assign an appeal panel of at least three members of the Board, for the purpose of considering appeals under the grievance procedure.
- C. The Board or appeal panel shall make every reasonable effort to meet, consider and decide the appeal within sixty (60) days after receipt of the appeal.
- D. The Board President shall give ten (10) day notice to the parties of an appeal hearing before the Board or appeal panel, if such a hearing is necessary.
- E. The Board or appeal panel shall review the grievance on the record established by the Impartial Hearing Officer unless it determines that additional information is needed. Each party may make a brief oral presentation to the Board or appeal panel to summarize his/her position. The appeal hearing shall be recorded and shall be held in closed session, unless the parties are allowed to present additional information, in which case the grievant shall be given the opportunity to have the evidentiary portion of the appeal hearing conducted in open session, subject to such other legal requirements relating to confidentiality or privacy, which may apply to the subject matter of the hearing, e.g. pupil confidentiality.
- F. The Board or appeal panel may affirm, reverse, or modify the decision of the Impartial Hearing Officer. The Impartial Hearing Officer's decision will be reversed if the decision was:
 - 1. In violation of constitutional provisions;
 - 2. In excess of the statutory authority or jurisdiction of the school district;
 - 3. Made upon unlawful procedure or in contravention of this Grievance Policy and Procedure;
 - 4. Affected by other error of law;
 - 5. Based upon improper application or interpretation of Board policy;
 - 6. Unsupported by substantial evidence in view of the entire record as submitted. (As used in this policy, *substantial evidence* means such relevant evidence as a reasonable mind would accept as adequate to support a conclusion), or otherwise erroneous;
 - 7. Arbitrary and capricious;
 - 8. Affected by the inappropriate application of the standard of review by the Impartial

Hearing Officer; or

9. In contravention of public policy considerations.
- G. Procedural errors, which do not have a substantial effect on the rights of the parties, shall not be grounds for reversal of any decision.
- H. The decision of the Board or appeal panel shall be final. The Board or appeal panel shall make every effort to send to the grievant and the Superintendent a written statement of its decision within a reasonable time after hearing the appeal.

Retaliation

No reprisals of any kind shall be taken by the Board or by an employee of the District against any party in interest or other employee on account of his/her filing a grievance or participating in a filed grievance.

Request for Reconsideration of School Board Decision

This policy establishes a procedure for employees to grieve certain decisions of school officials. The policy does not grant employees the right to appeal decisions of the Board itself, other than a termination or contract non-renewal decision by the Board. Nonetheless, an employee may file, in writing to the Board President, a request that the Board reconsider one of its own decisions. The request shall be filed within fifteen (15) days of the Board's decision and shall state the reasons why the Board should reconsider its decision. The Board may exercise its discretion whether to grant the requested reconsideration.

Judicial review of a Board or appeal panel decision made at Level Three of this policy, if any, shall be as prescribed by law.

EMPLOYEE IDENTIFICATION BADGES

The District shall provide employees with an employee identification badge. Employee identification badges are an important part of employee work attire. They allow students, parents, co-workers, vendors and the public to know who employees are. They are an important part of providing a secure environment for our students. Employees must properly display their employee identification badges in a visible spot on their person during their contracted work time (i.e. by using a lanyard to hang around the neck).

EMPLOYEE – STUDENT RELATIONS

The District requires that all employees maintain professional and ethical relationships with students that are conducive to an effective and safe learning environment. Employees must exercise good judgment and professionalism in all interpersonal relationships with students and establish appropriate personal boundaries with students.

Boundary breaches involve an employee engaging in conduct that unnecessarily and inappropriately intrudes upon a student's private life and physical and emotional self.

Employees shall not engage in the following inappropriate behaviors, which include, but are not limited to: engaging in peer-like behavior with students; favoring certain students by giving them special privileges; initiating or extending contact with students beyond the school day for personal purposes; using e-mail, text messaging, websites, or any other form of electronic communication to discuss adult personal topics or interests with students; taking students on personal outings even with the parents' permission; talking to students about the employee's problems; dating students; giving personal gifts or money to a student for no legitimate reason; providing alcohol or drugs to students; and engaging in sexual relationships with students. This list of inappropriate behaviors is not intended to prohibit appropriate adult-child interaction in contexts including, but not limited to, the employee's role as a parent, neighbor, or community volunteer.

The District will investigate all reports, including anonymous reports of inappropriate behavior. Investigations of allegations of inappropriate employee-student relations shall follow the procedures utilized for complaints of harassment within the District.

The Board of Education prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participate in the investigation of allegations of inappropriate employee-student relations. Any act of retaliation is subject to appropriate disciplinary action by the District.

Allegations waged against staff members that are determined to be false will be dealt with through legal authorities.

EVALUATION

During the first one hundred twenty (120) individual working days following the date of commencement of employment, a support services employee who is not required to hold a DPI license for their position, will be evaluated at least once. Thereafter, these employees will be evaluated at least once every three (3) years. The evaluation will be discussed with and signed by the employee, which only signifies receipt of the evaluation. Support services employees required to hold a DPI license for their position will be evaluated in accordance with District procedures for licensed teaching staff.

FAMILY AND MEDICAL LEAVE POLICY

The School District of Black River Falls complies with the provisions of the Federal and State Family and Medical Leave laws. Employees may be eligible for family and medical leave under the Federal Family and Medical Leave Act of 1993 ("FMLA"), the Wisconsin Family and Medical Leave Act ("WFMLA"), or both. There are different eligibility requirements for these laws, different rights under the laws, and different procedural requirements for employees to follow. The purpose of this policy is to briefly describe some of the employees' rights and responsibilities under these laws; however, this policy does not, nor is it intended to, spell out every right and responsibility under the two laws. If an employee has any questions or desires additional information, the employee should contact the human resources department. Copies of the WFMLA and FMLA notice posters are also attached at the end of this policy.

Generally, an employee is eligible for leave under the FMLA Act after he/she has been employed by the School District for a total of at least twelve (12) months (not necessarily consecutive); and has worked at least one thousand two hundred fifty (1,250) hours during the previous twelve (12) months. Paid leave does not count toward the “1,250 hours worked” requirement.

Generally, an employee is eligible for leave under the WFMLA after he/she has been employed by the School District for more than fifty-two (52) consecutive weeks; and has worked at least one thousand (1,000) hours during the preceding fifty-two (52) week period. Paid time off does count toward the WFMLA “1000 hours” requirement.

If an employee is eligible for WFMLA and/or FMLA leave, the following describes some of the employee’s rights under the two laws:

- An eligible employee has a right under the FMLA for up to twelve (12) weeks of unpaid leave during *a calendar year*, for the birth or placement for adoption or foster care of a child, the serious health condition of the employee or the employee’s child, spouse or parent, or because of a qualifying exigency arising out of active duty or call to active duty of the employee’s spouse, son, daughter or parent. If the employee and the employee’s spouse are both eligible for FMLA leave and are both employed by the District, the employee and the employee’s spouse are eligible to take a combined total of twelve (12) weeks of leave during the twelve (12) month period for child rearing or a family member's serious health condition.
- An eligible employee has a right under the FMLA for up to twenty-six (26) weeks of unpaid leave in a single twelve (12)-month period to care for a covered service member with a serious injury or illness.
- An eligible employee has a right under the WFMLA, during each calendar year, for unpaid leave of up to six (6) weeks for birth or placement of a child for adoption; two (2) weeks to care for a child, spouse or parent with a serious health condition; and two (2) weeks for the employee’s own serious health condition.
- If an employee’s leave qualifies under both laws (FMLA and WFMLA), it will be counted against his/her entitlement under both laws and shall run concurrently.
- For school year employees, if the employee is on leave at the end of one (1) school year and the beginning of another, the leave will be considered consecutive, not intermittent, and the employee will be provided with any benefits over the summer vacation that he/she would normally receive if the employee had been working at the end of the school year. Summer vacation is not counted against a school year employee's FMLA leave entitlement.
- For the purposes of the WFMLA and FMLA, “child” means a biological, adopted or foster child, step child, legal ward, or a child of a person having day-to-day care for the child. Also, the child must either be under age eighteen (18), or be eighteen (18) years or older and unable to care for him/herself because of a mental or physical disability or serious health condition. “Parent” means biological parent, foster parent, adoptive parent, step parent or an individual who was responsible for the day-to-day care of the employee when the employee was a child. While the FMLA does

not include parents of spouses or domestic partners in the definition of “parent”, the WFMLA does.

- An employee may substitute any paid leave for WFMLA leave and may substitute any paid leave for which he/she is qualified under the terms and conditions of the District’s paid leave policies for FMLA leave. As noted, in some cases, the District may require the employee to substitute paid leave for any portion of leave that is FMLA leave only. All substituted leave runs concurrently with WFMLA and FMLA leave. The terms and conditions of applicable sick/vacation/other leave usage are stated in the Board’s policies. If an employee has any questions about how these policies relate to each other and the WFMLA/FMLA, the employee should contact the human resources department. If the employee does not meet the requirements for taking paid leave, the employee may still be eligible to take unpaid WFMLA/FMLA leave.
- An employee may take the allotted WFMLA and/or FMLA leave on an intermittent or leave reduced work schedule basis only in certain circumstances:

Under FMLA, the District is not obligated to grant intermittent leave unless the employee is requesting intermittent leave for his/her own serious health condition or to care for a family member with a serious health condition, and there is a medical need for such leave which can best be accommodated through an intermittent or reduced leave schedule. If an employee requests intermittent leave or leave on a reduced schedule, the District may require the employee to transfer temporarily to an available alternative position for which he/she is qualified and which better accommodates recurring periods of leave. The alternative position will have equivalent pay and benefits, but does not have to have equivalent duties.

Under the WFMLA, an employee may take leave in increments equal to the shortest increment permitted by the District for any other non-emergency leave. Intermittent family leave must be scheduled so that it does not unduly disrupt the District’s operations. Intermittent leave for a serious health condition must be scheduled as medically necessary.

- The District will maintain an employee’s group health insurance benefits during any period of WFMLA and/or FMLA under the same conditions as if the employee continued to work.
- Upon an employee’s return from WFMLA/FMLA covered leave, the employee will be reinstated to the same job or, if that job is not vacant, an equivalent job with the same pay, benefits, and terms and conditions of employment. If the employee’s leave extends beyond the end of his/her allowable WFMLA/FMLA leave, these return rights provided by the WFMLA/FMLA laws will end.
- If the employee does not return to work following FMLA leave for a reason other than: (1) the continuation, recurrence, or onset of a serious health condition which would entitle the employee to FMLA leave; (2) the continuation, recurrence, or onset of a covered service member’s serious injury or illness which would entitle the employee to FMLA leave; or (3) other circumstances beyond the employee’s control, the employee may be required to reimburse the District for its share of health insurance premiums paid on the employee’s behalf during the FMLA leave.

- If an employee fails to return to work after the expiration of his/her WFMLA/FMLA leave, the employee will be subject to immediate termination unless an extension of such is granted by the Board or its designee. If the employee's inability to return to work is due to the continuation, recurrence or onset of the employee's own serious health condition, or of the serious health condition of the employee's spouse, child or parent, the employee must submit a written request for such an extension as soon as the employee realizes that he/she will not be able to return at the expiration of the WFMLA/FMLA leave period. The District will consider each such request on a case by case basis. There is no guarantee that an extension will be granted.

If an employee needs to use leave under the WFMLA and/or FMLA, the employee must provide the District with proper notice of his/her intent to do so. While the time requirements differ under the FMLA and WFMLA, as a good rule of thumb, an employee should make every effort to provide as much notice as possible for foreseeable leave and should provide notice as soon as possible for unforeseeable leave. Under the WFMLA and/or the FMLA, employees are required to try to schedule foreseeable leave so as not to unduly disrupt the District's operations.

Under the FMLA, an employee must provide at least thirty (30) calendar days' advance notice when the need for the leave is foreseeable. Under the WFMLA, advance notice of leave must be given in a reasonable and practicable manner. If the leave is not foreseeable, notice must be given as soon as practicable. The District will appreciate the employees providing as much notice as possible in all situations. The District reserves the right to deny leave if you fail to meet notice requirements.

To request family or medical leave, an employee must submit a written leave request form to the human resources department. The leave request form is available from the human resources department or the District's website at www.brf.org. If an employee does not specifically request family or medical leave, but requests leave for a reason that might qualify as family or medical leave, the District will provide the employee with a leave request form to fill out and return to the human resources department, as soon as possible in order to determine whether the leave requested qualifies as leave under the WFMLA and/or the FMLA. The District may temporarily designate the leave as leave qualifying under the WFMLA and/or the FMLA.

The human resources department will determine which provisions of the WFMLA and/or the FMLA, if any, apply to the employee's situation and, if necessary, provide additional guidance on the employee's rights and responsibilities.

After requesting leave, an employee may be asked to provide additional information. The District may require that the employee obtain certification from a health care provider or other third party, depending upon the type of leave requested. The employee will be allowed at least 15 calendar days to return the completed medical certification form. In addition, the District may require the employee to report periodically on his/her status and intent to return to work, as well as to submit additional medical certification forms.

If any of the following apply, the District may deny an employee's request for leave:

- The employee does not meet the eligibility requirements.
- The purpose for the employee's requested leave does not qualify under the WFMLA or the FMLA.

- The employee failed to provide timely advance notice.
- The employee has not provided required information.

ADDITIONAL INFORMATION

Employees should also refer to the WFMLA and FMLA posters which are reproduced as the next two pages of this Policy. This Policy does not spell out all rights and responsibilities of the District's employees for every possible situation under the WFMLA and/or the FMLA. If an employee has any questions or desires additional information, he/she should contact the human resources department.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the servicemember medically unfit to perform his or her duties for which the servicemember is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA;
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

Wisconsin Family and Medical Leave Act

Section 103.10, Wisconsin Statutes, requires that all employers with 50 or more employees display a copy of this poster in the workplace. Employers with 25 or more employees are required to post their particular leave policy

Under state law all employers with 50 or more permanent employees must allow employees of either sex:

- Up to six (6) weeks leave in a calendar year for the birth or adoption of the employee's child, providing the leave begins within sixteen (16) weeks of the birth or placement of that child.
- Up to two (2) weeks of leave in a calendar year for the care of a child, spouse, domestic partner, as defined in § 40.02(21c) or 770.01(1) or parent or a parent of a domestic partner with a serious health condition.
- Up to two (2) weeks leave in a calendar year for the employee's own serious health condition.

This law only applies to an employee who has worked for the employer more than 52 consecutive weeks and for at least 1000 hours during that 52-week period. The law also requires that employees be allowed to substitute paid or unpaid leave provided by the employer for Wisconsin Family and Medical Leave. Employers may have leave policies, which are more generous than leaves required by the law.

A complaint concerning a denial of rights under this law **must be filed within 30 days** after the violation occurs or the employee should have reasonably known that the violation occurred, whichever is later.

HEALTH EXAMINATIONS

The District requires, as a condition of employment, that all new employees obtain a physical examination, including a tuberculin skin test, or otherwise comply with the state law governing such examinations. Freedom from tuberculosis in a communicable form is a condition of employment. If the employee's tuberculin skin test is positive, a chest X-ray shall be required.

The Board shall pay the cost for any required physical examination, which shall be performed by the District's authorized physician. If an employee chooses to go to his/her own personal physician, the employee will pay any additional fees above the cost of the school appointed physician.

The physician conducting the physical examination shall prepare a report of the examination on a form prepared by the Department of Public Instruction (DPI) and available upon the DPI website. The physician shall use the report form to certify to the District that the person is free from tuberculosis in a communicable form. Subsequent physical examinations will be required at intervals determined by the School Board, consistent with state and federal laws and any applicable collective bargaining agreement provisions.

An employee may request an exemption from the physical examination requirement for religious reasons by filing an affidavit with the Board stating that the employee depends exclusively upon prayer or spiritual means for healing in accordance with the teachings of a bona fide religious sect, denomination or organization and that the employee is to the best of the employee's knowledge and belief in good health and that the employee claims exemption from health examination on these grounds. If there is reasonable cause to believe that an employee who has requested an exemption is suffering from an illness detrimental to the health of the pupils, the school board may require a health examination sufficient to determine whether the employee is suffering from such an illness. The School Board shall not discriminate against any employee for filing an affidavit seeking an exemption from the physical requirement.

The District may require that an employee submit to a job-related medical examination or inquiry, as determined necessary by the Superintendent or his/her designee.

State and federal laws prohibit employment discrimination against "qualified individuals with disabilities." In accordance with these laws, the District commits to providing reasonable accommodations to its employees in assuring that individuals with disabilities enjoy full access to equal employment opportunities. Accordingly, the District will provide reasonable accommodations to qualified individuals with disabilities when such are directly related to performing the essential function of a job. An employee requiring a modified work environment as the result of a disability may request a reasonable accommodation. Approved accommodations will be reevaluated periodically to ensure that they remain necessary, reasonable and effective.

The District shall maintain all physical examination records and other medical records in a file separate from all other personnel records, and shall treat such records as confidential medical records, in accordance with state and federal laws and regulations.

The School Board shall comply with the requirements of Wis. Stat. § 121.52(3)(a) by including in any contract with any owner or lessee of any privately owned motor vehicle transporting pupils for

compensation provisions for the contractor to require physical examinations for all school bus drivers, as prescribed by Wis. Stat. § 121.52(3)(a).

FOOD SERVICE ACCOUNT BALANCES

Employees are welcome to participate in the District's nutrition services program and are encouraged to complete a voluntary meal account deduction form to have amounts automatically deducted from their pay each payroll and placed in their food service payor account. Employees should have a positive balance in their food service payor account when purchasing meals and should not allow their payor account to have a negative balance. Should the employee have a negative account balance on the 15th of the last month of a fiscal calendar quarter (September, December, March, and June), the negative balance will be deducted from the employee's pay on the next payroll date.

HEALTH INSURANCE

The District will provide a health insurance plan to eligible support services staff. In order to be eligible for a single or family health insurance plan, support services staff employees must work a minimum of thirty (30) hours per week. The thirty (30) hour per week calculation will be defined by the language within the Healthcare Reform Act.

The District will contribute ninety percent (90%) of the premium for single or family coverage for twelve (12)-month or school year employees who work thirty-five (35) or more hours per week.

The District will contribute ninety percent (90%) of the premium for single or fifty percent (50%) of the premium for family coverage for twelve (12)-month or school year employees who work less than thirty-five (35) hours per week.

If both spouses are employed by the District, only one (1) family plan or two (2) single plans will be provided.

School year employees who return to work for a period of less than thirty (30) calendar days will reimburse the District for District paid premiums paid on behalf of the employee for the months of July and August.

An employee must reimburse the employer for any health insurance premium paid by the employer for the month during which an employee ends employment with the District. The amount owed by the employee will be prorated according to the percentage of the month remaining after the employee's last day of employment. The District is authorized to withhold said amount from any monies due the employee, including salary.

HEALTH REIMBURSEMENT ARRANGEMENT

The District will contribute annually on July 1st to a Health Reimbursement Arrangement (HRA) trust account on behalf of an employee that subscribes to the District's health insurance plan. The contribution amount will be determined by the District on an annual basis. The HRA account is considered the employee's and the balance will rollover from year to year and can only be used for health care expenses. The employee has immediate access to the annual contribution amount, however, the employee would not be considered 100% vested in the annual contribution unless the employee is still enrolled in the District's health plan on December 31st of that same calendar year. If an employee terminates the health plan prior to December 31st, any unused HRA contributions for the current health plan year will forfeit

back to the District. Employees would retain any unused, vested funds from prior plan year(s). All terms and conditions of the HRA trust account will be determined by the District.

HOLIDAY PAY

Holidays for employees scheduled to work twelve (12) months are as follows:

1. Fourth of July
2. Labor Day
3. Thanksgiving Day
4. Day following Thanksgiving Day
5. Christmas Eve day
6. Christmas Day
7. New Year's Day
8. Good Friday
9. Memorial Day

Holidays for employees scheduled to work less than twelve (12) months are as follows:

1. Thanksgiving Day
2. New Year's Day
3. Memorial Day

When a holiday falls on a weekend, the District shall determine, based upon the school calendar, whether the Friday or Monday closest to the holiday will be the paid holiday.

Employees will be required to be on paid status their last regularly scheduled day before and their first regularly scheduled day after a holiday to be eligible for a paid holiday, unless an illness is verified by a physician's certificate or the employee is otherwise excused by the Superintendent for DPI licensed staff or Director of Business Services for non-licensed staff.

INCLEMENT WEATHER

School Closing

Twelve (12) month staff shall be required to report to work on days school is closed due to inclement weather. On such inclement weather days, twelve (12) month support services staff hired on or before May 1, 2008 are only required to report for half of their scheduled work day, unless it is deemed necessary by the administration that their presence for the full work day is necessary to operate the District.
